**ORGANIZING COMPANY**

Success Square Company, was established in 2014 with headquartered in Muscat, Oman, stands as a beacon of excellence in the realm of sports management and event organization. With a global network spanning across Europe, the Middle East, and Central Asia, the company is dedicated to delivering specialized services tailored to the dynamic world of sports.

At the heart of Success Square Company's mission is the provision of innovative and creative planning for sporting events of all scales. From local tournaments to international championships, the company's expertise ensures seamless organization and execution, leaving a lasting impression on participants and spectators alike.

## Our Vision

**To be the premier provider of creative event planning and sports management expertise, delivering the highest standards of satisfaction to our clients.**

We strive to inspire with innovative ideas executed with the utmost professionalism and quality.

Driven by a passion for sports and a commitment to excellence, Success Square Company continues to raise the bar in sports management, setting new standards of professionalism and innovation with each endeavor.

## International Collaboration

The collaboration between Success Square and prestigious organizations such as The International Federation of Corporate Football (FIFCO), the Asian Federation of Corporate Football, Mallorca Football Events and the Middle East Controllers and Pilots Sport Federation marks a significant milestone in our commitment to international collaboration and excellence in sports management.

By aligning with these esteemed federations, Success Square enhances its global reach and strengthens its position as a leading player in the sports industry. This collaboration opens doors to new opportunities for networking, knowledge sharing, and collaborative ventures, ultimately benefiting our clients and stakeholders.

Through these partnerships, Success Square gains access to invaluable resources, expertise, and best practices in corporate and professional football, as well as air sports. This allows us to offer enhanced services and experiences to our clients, elevating the standard of sports management and event organization across borders.
